DETAILED ACTION
EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Verne E. Kreger, Jr. (#35,231) on 06/22/2010.

IN THE CLAIMS

Please cancel claims 1-15.

Claims 1-15. (**Cancelled**)

Allowable Subject Matter

Claims 16-24 are allowed over the prior art of record as amended in the 03/26/2010 reply.

The following is an examiner's statement of reasons for allowance: The claims in this application have been allowed because the prior art of record fails to disclose either singly or in combination the claimed method of increasing efficiency in patient care facilities through system architecture and design into two separate units. A patient unit receives input signals from patient monitoring connections and outputs the signals to a procedure unit. The procedure unit is operational during the medical procedure and controls the delivery of drugs to the patient.

The closest prior art of record is Cudahy et al. (USPN4,895,161) and Thompson (USPN6,453,195), however these references do not disclose the device as claimed or described above.

Regarding claims 16-24, the closest prior art of record fails to teach among all the limitations or render obvious the specifics of the patient procedure units coupled with patient monitoring sensors and record creation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Christopher D. Koharski whose telephone number is 571-272-7230. The examiner can normally be reached on 7:30am to 4:00pm EST.
